Sir:

In response to the Office Action dated December 29, 2004, please consider the remarks
as submitted herewith on the accompanying pages.

REMARKS

At the outset, Applicant again notes that the Examiner has not approved or objected to the
formal drawings submitted on October 30, 2003. Thus, Applicant respectfully requests the
Examiner to approve these drawings.

Claims 1-10 are all the claims pending in the application, with claim 1 being in
independent form. Applicant points out that the Office Action summary incorrectly indicates
that claims 1-10 are rejected. Rather, the Office Action indicates that claims 4 and 10 contain
